## **FOREWORD**

Glory be to the living God. Led by the spirit of God, this book, "A THOUSAND PRAISE OFFERINGS" was published in the year 1990 for the spiritual benefit of the children of God to praise him with the words from the scriptures.

The Lord says, "Who ever offers praises glorifies me" (Ps.50:23). So we praise God to glorify Him. King David Says" I will bless the Lord at all times; His praise shall continually be in my mouth" (Ps.34:1)

Also we read in Psalm 22:3 that God inhabit the praises of Israel. We need God's presence always with us. We get it by praising Him. Israelites praised God and the wall of Jericho fell down. As King Jehospat and his people began to sing and praise the Lord, their enemies were defeated (2 Chro.20:22). As Paul and Silas were praising suddenly there was an earthquake and all the doors of the prison were opened and everyone's chains were loosed. So there is **POWER IN PRAISE. PRAISE WORKS! HALLELUAH!**

Enemies are defeated not by sword, but by praising God. Bonds are broken by praising God.

Praise God and experience yourself God's Presence in your day to day life, God's Power at the time of your weakness and God's mighty hands at the time of your troubles.

**EDITOR**

## PREFACE

I am indeed glad to write the Foreword to this book called A THOUSAND PRAISE OFFERINGS published by Pr. E. WYCLIFF DAVID. I know the author and had times of discussion and fellowship with him in Christ. His personal experience in Christian Life has resulted in publishing this book in order to encourage the children of God to praise the Almighty. At times, even the godly people are ignorant to know the reasons to praise God.

Any casual reader of this book will be led to a great enthusiasm to continue to give thanks unto God without tiredness. It reveals how the editor has been greatly blessed by offering the fruit of lips even praises to God. God has given in our hands a weapon which will pull down the fortress of the devil. We need not fight the devil, for the battle is already won by the Lord Jesus Christ. All that we need to do is to claim the victory by praising the Lord.

It is my opinion that if a believer could learn the reasons for praising the Lord after reading this book, he could cultivate the habit of praising Him for a joyful and a fruitful Christian life. Hence, I feel it is always good to possess a copy of this book as a soul companion to march into victorious life.

## TESTIMONIES

1. Dear Brother in Christ,  
My son Xavier met with an accident and was in coma stage in the hospital. I and my family members fasted and praised God one after another using your book 'A thousand praises offerings'. On the fifth day he opened his eyes. He was brought to the normal ward on the 13th day. On the 18th day he became conscious. His broken leg was operated on the 20th day. He was discharged from the hospital on the 30th day. Now he is studying in the college. All these miracles we receive from God by offering praises to Him.  
Glory to God.

Dear Pastor,

As I got a temporary job in Palakadu, I had to leave my family and go to Palakadu. During holidays, I used to go to the house at Kollam where my husband, my children and my mother-in-law stayed. When I stayed there my mother-in-law and sister-in-law used to torture me. Soon they created difference of opinion between me and my husband. So there was quarrel between all of us. I lost my peace. Finally I resigned my job. I was very much worried about my future life. I shared my problem to my sister at Trichy. She sent me your book and advised me to praise God through that book. I started praising God. My mother-in-law and sister-in-law became silent and the difference of opinion between me and my husband was cleared. I and my husband became peaceful. God gave me my father's house and so as a family we shifted to our new house. Now I with my husband and children are living happily and peacefully. Praise the Lord.

Dear Pastor,

My son dropped my cell phone in the water and brought it to me. I disassembled its parts, wiped the water and dried it under the fan. Even after doing all these, the cell phone did not work. I wept much. That time I remembered the testimonies I read in the book 'A Thousand praise offerings'. So I too knelt and offered praise offerings to God, and prayed. The Lord graciously did a miracle for me. Again my cell phone started working. Glory to God.

Dear Brother,

My spinal cord was broken due to a motor bike accident. Doctors told that they would operate and fix a plate after a month and sent me home. I said to the doctors that my Lord would not allow this to happen. I came home with a belt on my back. The next day I had severe pain with high fever and the temperature was 104.F. Because of the

unbearable pain I removed the belt and started crying from 11pm to 12pm. Then I took your book 'A thousand praise offerings' placed it on my body where the pain was severe and praised God and prayed. Then I donot know how I slept on the book. I woke at 2am to find my whole body was drenched with wetting. Then I woke up as usual to pray and prayed. There was no pain on my back. I was healed on the 13th day of the accident. I vowed that I would write a testimony if I did not get the pain again. No pain again. Glory to Jesus.

Dear Uncle;

I am a Muslim girl. God has done many miracles through offering praises to Him.

1) My father met with an accident and went to coma stage. Doctors said. 'No hope'. I got your book through my Christian friend. I read that book and praised God. God gave life to my father.

b) My elder brother could not get visa to go abroad. But when I offered thousand praises to God, the next day itself he got the visa.

c) Since we had no house of our own in Australia we had to live in our uncles' house. When my uncle saw me reading this book he tore it and threw it away. Within minutes his hand became inactive and he was not able to do any thing with his hand. I asked my uncle to kneel down, ask forgiveness from the Lord and to recite the thousand praises. He did so. God forgave him and healed his hand. Now our family and my uncles's family are going to the church in Australia.

  3. To get back Rs. 62,700/- which we had given to a person. The Lord answered all my

12. Dear Pastor,

I am G. Rose a daily reciter of your book A thousand praise offerings. I use it to praise God as well as to pray for healing. I was a healthy person with no sickness. But suddenly in the month of Feb' 08 I felt sick. I thought I was possessed by an evil spirit because mentally I went off my head and used to have sleepless nights. Even in the day time I could not sleep. It was then I used the thousand praises book on the Maundy Thursday. I recited the thousand praises continuously. I had been to several doctors but of no use. Then on Good Friday early in the morning at around 5Am I felt the hands of some one on my head letting me to oper

my mouth and I heard a voice telling me that the pain was with my tooth. I got up and started shouting 'It is Jesus'. Jesus touched me and showed me where was the pain. The next day I went to dentist. He removed the infected tooth. From that day onwards there was no pain. I became normal and courageous. Jesus always dwells in the midst of our praises. His name be praised forever.

15. Dear Brother,

I am a saved and baptised person .But I was not anointed by the Holy Spirit. A sister possessed with a spirit of lust asked

me to pray for her. I laid my hand on her head and prayed without the power of the Holy Spirit. Then I too was affected by that evil spirit. Lustful thoughts started troubling me in my work spot and tried to take control over me. I felt it was wrong to harbour such lustful thoughts and so I resigned my job and started to pray to God. started to offer praises to God three times day. The Lord delivered me from those lustful thoughts and from the spirit of lust. Glory to God.

Dear Brother in Christ,

In the year 2003, I was suffering from severe back pain and leg pain. There was no improvement through any medicine. When my sister saw me suffering with pain and sleeplessness, she asked me to offer praises to God along with her early in the morning. The same day the pain decreased and I could sit for some time. So I continued to praise God in the morning for the last five months. As I do it I am strengthened in my heart and in my back portion. I was able to write my final M.com exam. I feel the presence of God at odd times. Some of the words of God in the thousand praises book are very much suitable to my needs and desires. Our family condition is also improving because of a change in my nature. My heavenly Father's will is fulfilled in me through my sufferings. He taught me a lot

of things during this time. My whole life got changed as I started praising God.

My daughter started offering 1000 praises to God daily. We also did the same. God was merciful towards us. My daughter's marriage was fixed when there was no money in our hands.
